2Fed up with rush-hour traffic in the Horsham area?

Tired of wasting valuable time and expensive gas driving to work?

Rather read the newspaper and let someone else wrestle the wheel?

Well, now you can leave your car at home and make that commute the easiest part of your day.

SEPTA has launched the Commonwealth Breeze (Route 311) a new shuttle bus service that will whisk passengers between Willow Grove Park Mall and employment centers in Horsham.

Like other highly successful shuttle systems, **Breeze** is specifically designed to be fast, convenient, comfortable and affordable, virtually eliminating the need for driving to work.

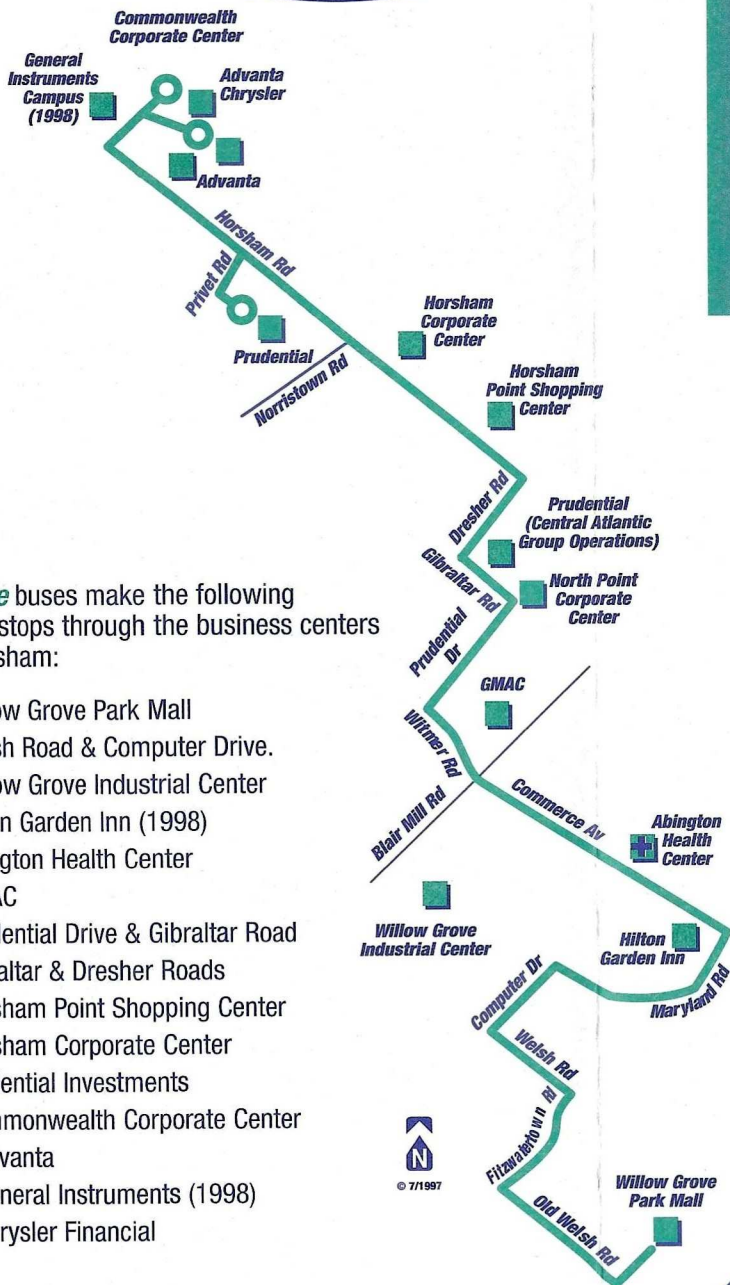

Breeze links up with three existing SEPTA bus routes – 22, 55, and 98. Transfer to Route 311 from any one of these routes at the Willow Grove Park Mall and be dropped off practically at the doorstep of your workplace. Reverse the process and you're home – never having touched your car.

Breeze will operate every 30 minutes during peak hours (see schedule inside). And you'll ride in brand new, colorful and modern mini buses that feature cushioned seating, a climate-controlled environment and access for special needs riders.

For commuters to Horsham, **Breeze** is a breath of fresh air.

Catch it.
