"At Your Service."

HOW TO READ A SCHEDULE

1
00
SEPTA TERMINAL
TO YOUR DESTINATION
Effective Date

Select the appropriate schedule for your trip

2

Select the appropriate column on the schedule. This will depend upon whether you are traveling on a weekday or weekend, and whether your trip is inbound or outbound.

3

The schedule lists trip points at which the vehicle will arrive at certain major intersections or other landmarks (such as apartment complexes and shopping centers). Find the trip point column which is closest to where you want to board the bus.

4

Now find your destination and locate a trip point column along the route nearest your destination.

5

Decide when you want to arrive at your destination. Then work backward from your destination trip point on the schedule for the closest departure trip point to find out when to catch the vehicle.
