"STAR" INFORMATION

The '5' digit number shown at the top of each column (time point) in the schedule is called a STAR Location Number. These numbers can be used to receive automated schedule information without speaking to an information agent. You'll save time when calling the SEPTA Telephone Information Center by keying in your STAR Location Number into your touch tone phone and then follow the menu prompts provided. You'll receive the next two or three departure times for the location you selected. Using the STAR System, in conjunction with the printed schedule, will allow us to serve you better.
