GREEN LOOP

In 1999, University City District (UCD), in partnership with SEPTA, began the LUCY® (Loop thru University City) service in order to provide a critical link between Philadelphia's transportation hub at 30th Street Station and University City's largest employers. Since that time, the LUCY® system has grown to carry more than 250,000 passengers annually while consistently maintaining a 90% approval rating according to an annual passenger census conducted by UCD. LUCY® is operated by SEPTA and is made possible with support from University City District, University of Pennsylvania, University of Pennsylvania's Health System, The Science Center, and Veterans Administration Medical Center.
