SEPTA BUS ROUTE

200 SERIES BUS FARES

Effective July 1, 2001 (Subject To Change)

Special rail-bus combination fares are available for Regional Rail passengers using a "200-Series" bus route.

FOR EVERYDAY COMMUTING: Regular commuters can save by using SEPTA monthly or weekly TrailPasses. Passengers using a valid TrailPass or a Cross County Rail Pass can board "200-Series" buses at no additional expense. TrailPasses can also be used on any SEPTA service.

FOR OCCASIONAL TRIPS: Occasional travelers can save using the special 60¢ interdivisional transfers for "200-Series" routes:

•GOING TO THE BUS: Tell the train crew that you are going to a 200 Series bus route when paying your fare or when your ticket is collected. The 60¢ transfer fee (exact change) will be collected upon boarding the bus.

•GOING TO THE TRAIN: If you already have a railroad ticket, show your ticket to the bus driver and pay 60¢ (exact change) when boarding the bus. If you do not have a ticket, pay \$2.00 (exact change) when boarding the bus; the bus driver will give you a transfer good for \$1.50 when paying your fare aboard the train.

FOR TRANSIT TRIPS: Regular transit fares are in effect on "200-Series" bus routes for transit passengers.

Buses on this route are equipped with wheelchair lifts.

Route 208 is operated for SEPTA by Krapf's Coaches.

HOW TO USE ROUTE 208

Going to the Train:

You may ride this service by simply waiting along the route at a posted bus stop, or you may wait at an un-posted stop and flag down the operator as he/she approaches. The bus will stop at any location along the route which the bus operator deems safe.

If you live within the areas of Chesterbrook which are indicated as shaded on the timetable, you may request that a particular trip be diverted to your neighborhood to pick you up at or near your residence. To make such a reservation, contact Krapf's Coaches at 610-431-1500 by at least 4.00 PM the day before your trip. As a courtesy to others, please be at the agreed upon pick-up location on time.

Coming from the Train:

If you live along the route, ring the bell to signal the operator if you wish to get off at a posted stop, or ask to be let off at an un-posted stop (safety permitting).

If you live within one of the areas of Chesterbrook shown as shaded on the timetable map, tell the driver your destination as you board the bus.

Flex-route area is Subject To Change.

SUBURBAN COURTESY (FLAG) STOP POLICY

If you wish to board in an area not clearly identified as a transit stop, please stand in a position that is safe and visible to the bus operator. Signal the operator as the vehicle approaches. He/She will stop at or near the area as dictated by safety.
