Sunday schedule will be operated on New Year's, Memorial, Independence, Labor, Thanksgiving and Christmas days.

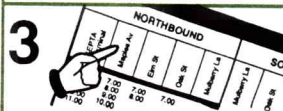

HOW TO READ A SCHEDULE

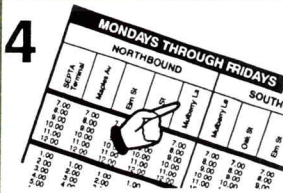

Select the appropriate schedule for your trip.

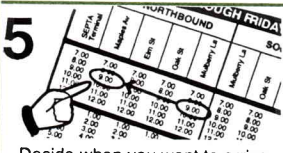

Select the appropriate column on the schedule. This will depend upon whether you are traveling on a weekday or weekend, and whether your trip is inbound or outbound.

The schedule lists timepoints at which the vehicle will arrive at certain major intersections or other landmarks (such as apartment complexes and shopping centers). Find the timepoint column which is closest to where you want to board the bus.

Now find your destination and locate a timepoint column along the route nearest your destination.

Decide when you want to arrive at your destination. Then work backward from your destination timepoint on the schedule for the closest departure timepoint to find out when to catch the vehicle.

NOTICE

Due to construction in the vicinity of 48th and Lancaster Ave. Buses will replace Railcars on Route 10. These Buses will operate according to the routing shown on this map. Buses will serve the 34th Street Market Frankford Station and terminate at the 33rd Street Subway Surface Station. Both locations provide for easy connections to or from Center City. This Substitution will continue until the Fall Schedule (in effect September 10, 1995).
